

# At Last, A High Holiday Service For Those Who Aren't High On The Holidays.

**'Not looking forward to Rosh HaShanah and Yom Kippur again this year? Do you feel like you go to synagogue out of guilt and feel even more guilty after you leave? You don't understand the language or the rituals? The rabbi seems to be talking to everyone but you?**

**Believe it or not, millions of American Jews feel exactly the way you do. That's why the National Jewish Outreach Program and this congregation have designed the "High Holiday Beginners Service." The Beginners Service is conducted in both English and Hebrew, so everyone can follow along. All prayers and traditions are explained by a dynamic leader. Questions are encouraged. You'll even be able to sing along!**

**So this Rosh HaShanah and Yom Kippur, treat yourself to the "High Holiday Beginners Service." You'll never look at the High Holidays the same way.**
