

PARENTS ARE TEACHERS

You are your child's best teacher!

Let's face it, our children learn from our example. If we want our kids to take pride in their Judaism, we have to show them how to do it.

Parents Are Teachers (P.A.T.) is a terrific program designed to help our school help you, the parents, become your child's best teachers.

Come and see how easily you can take a more active role in your child's Jewish education.

Best of all, it's fun and it's free!

Do it for your family. Do it for yourself.
